

**INDIANA UNIVERSITY  
SOUTH BEND**

January 2026

To Whom it May Concern:

Indiana University South Bend affirms its commitment to supporting students who are military affiliated. Our connections to the United States military date back to the school's founding.

Indiana University South Bend's proud tradition of military involvement has remained strong as we support more than 350 veterans as well as military spouses and dependents. The office for Military Connected Student Services helps veterans and military-connected students make the transition from the military to IU South Bend and provides support and resources during their time on campus.

We remain staunchly committed to serving this important part of our student body. The experiences of our military affiliated students provide richness and value to the student experience at IU South Bend.

Sincerely,
